Services

Corporate Governance

Mergers & Acquisitions

Annette provides support to attorneys and clients on general corporate matters, corporate governance, and mergers & acquisitions.

Annette has extensive experience handling matters involving corporate law. Annette works heavily with business entity formation, business registrations, foreign qualifications and withdrawals, corporate governance and due diligence review. She is responsible for preparation of corporate documents, filing of documents with federal and state agencies and maintenance of corporate records including stock records. Annette also assists with transactional matters including mergers and acquisitions, private equity and debt financings.
