### **Carolina assists companies expanding into Mexico and provides legal advice in the start-up phase of their growth strategy.**

As a Mexican lawyer, Carolina has substantial experience handling laws related to Mexico's maquiladora/IMMEX industry and works with clients that have manufacturing operations in Mexico. She has particular expertise working with clients on preparing commercial contracts, corporate documents, preparing and registering/revoking powers of attorney, reviewing Mexican labor law and employee agreements and separations, and immigration matters.

Carolina is an attorney for Fredrikson & Byron, S. de R.L. de C.V. She is admitted only in Mexico.
