Services

Mergers & Acquisitions

Adam is an associate in Fredrikson's Mergers & Acquisitions Group who assists clients with business combinations and strategy, as well as general corporate matters.

Adam provides his clients with clear and candid legal advice that helps them thrive. He strives to understand his clients' objectives to offer them a range of effective options. Having worked in journalism for 10 years before studying law, Adam brings highly developed research skills and attention to detail to his practice.
