Services

Mergers & Acquisitions

Pam assists companies with formation, governance, mergers and acquisitions, conversion, foreign qualifications and withdrawals.

Pam has extensive experience in corporate law matters and believes that strong client relations are the key to producing positive outcomes. She enjoys working directly with clients as well as being part of a team to provide clients the best possible service. Pam handles the preparation, filing and maintenance of corporate documents, assists with due diligence requests and identifies and solves state corporate compliance issues.

Pam also has experience serving as a senior paralegal in a large private company which gives her a unique perspective when assisting clients.
