

## Family Business Advisors Group

**Event**

04.02.2018

Fredrikson hosted The Family Business Advisors Group on May 10 for the last program in their 2017-2018 Program Year. The FBA Group meetings typically feature family businesses sharing their recommendations for professionals serving family businesses, what “works” and what doesn’t to achieve success in serving family business clients. Attendees engage in small group discussions on key issues, identifying needs for new skills, new tools or new information in their practices and share insights learned.

The FBA Group is a multi-disciplinary group of family business advisors comprising of financial management, legal, business/tax, governance/legacy/philanthropy, behavioral science and family business consultants and professionals. For more information on the group or to be added to the invite list, please contact Jessica Manivasager at [jmanivasager@fredlaw.com](mailto:jmanivasager@fredlaw.com).
