We discussed the 2019 legal highlights in both the Medicare Physician Fee Schedule and the Outpatient and Inpatient Prospective Payment System regulations. We also discussed a provision in the SUPPORT law that creates a new antikickback provision aimed at drug counselling, but extending to all lab services, and covered a variety of other important new regulatory and practical developments.

### Accreditation

We have applied for Continuing Legal Education (CLE) credit for this program in Iowa and Minnesota. Please contact Greta Larson at [glarson@fredlaw.com](mailto:glarson@fredlaw.com) if you are an attorney licensed in another state and would like information about obtaining CLE accreditation. We have also applied for Health Care Compliance Association (HCCA) credits. Webinar participants will be notified of accreditation upon program approval of CLE and HCCA credits (typically three or four weeks following the webinar).
