**Event**

06.14.2017

Online

Cost: Free

Hosted By: Fredrikson's Health Law Group

One year ago, the Supreme Court upended False Claims Act case law with its *Escobar* decision. Developments in the law since *Escobar* have been a mixed bag for health care providers. This webinar explored how FCA enforcement has changed post-*Escobar*, what it means for your business, and how to manage risk in this new environment.

**Accreditation**

We have applied for Continuing Legal Education (CLE) credit for this program in Iowa and Minnesota. Please contact Greta Larson at [glarson@fredlaw.com](mailto:glarson@fredlaw.com) if you are an attorney licensed in another state and would like information about obtaining CLE accreditation. We have also applied for Health Care Compliance Association (HCCA) credits. Webinar participants will be notified of accreditation upon program approval of CLE and HCCA credits (typically three or four weeks following the webinar).
