The annual "Frequently Asked Questions" webinar returns. We will be focusing on questions of general applicability to our listeners, covering topics like whether you are required to follow Medicare rules with Medicare Advantage patients, TPCA questions (including "what is TPCA?!") and questions about missing signatures and orders. We will also offer some comments about the proposed physician fee schedule. **Have a question?** Send it to dglaser@fredlaw.com. Please be sure to include **"FAQ Webinar"** in the subject line.

Accreditation

We have applied for Continuing Legal Education (CLE) credit for this program in Iowa and Minnesota. Please contact Greta Larson at glarson@fredlaw.com if you are an attorney licensed in another state and would like information about obtaining CLE accreditation. We have also applied for Health Care Compliance Association (HCCA) credits. Webinar participants will be notified of accreditation upon program approval of CLE and HCCA credits (typically three or four weeks following the webinar).
