Overview

Our June Health Law Webinar will feature Katie Douglas, Ryan Johnson and John Soshnik for a discussion of key legal and strategic issues in structuring and negotiating various health system transactions, including:

- health system mergers and acquisitions;
- new affiliation and joint venture models for health systems and physician practices;
- partnerships with private equity, venture capital, and other corporate investors; and
- health system investments in start-ups and innovative business models.

The presenters will cover innovative deal structures, due diligence essentials, negotiation strategies, regulatory considerations and transaction best practices.

An on-demand recording of the program will be available after the live webcast. Past webcasts can be viewed for free on our Health Law Webinars page.

Continuing Education

We have applied for Continuing Legal Education (CLE) credit for this program in Iowa and Minnesota. This education activity has been submitted to the Compliance Certification Board (CCB)[®] and is currently pending their review for approval of CCB CEUs.
