**Overview**

On June 21, 2023, Katie Douglas, Ryan Johnson and John Soshnik discussed key legal and strategic issues in structuring and negotiating various health system transactions, including:

- health system mergers and acquisitions;
- new affiliation and joint venture models for health systems and physician practices;
- partnerships with private equity, venture capital, and other corporate investors; and
- health system investments in start-ups and innovative business models.

They covered innovative deal structures, due diligence essentials, negotiation strategies, regulatory considerations and transaction best practices.

**Continuing Education**

Live webcast participants should have received an email following the program with continuing education details.

## Platform Details

This webcast is held using ON24. Read more about the minimum system requirements [here](#). This webcast has closed captioning available.
