Health Law Webinar—Navigating Challenging Patient Relationships

Event

10.13.2021

Online

Cost: Free

Hosted By: Fredrikson's Health Law Group

While every provider's goal is to meet and exceed each patient's expectations, every health care provider also knows that some patients will leave an encounter feeling unhappy or disappointed with the experience. Navigating such grievances, while continuing to provide compassionate and high-quality health care, can be a struggle. Even when managed optimally, legal complications can emerge.

Our October 13, 2021, Health Law Webinar covered common challenging patient scenarios and the legal consequences that flow from them and provided tips for preventing and minimizing risk.

This program is available to view for free on demand after registration.
