Reimagining the Workplace: Strategies for a Positive Way Forward in the “New Normal”

Event

04.01.2021

Online

Cost: Free

Hosted By: Fredrikson's Employment, Labor & Benefits Group

On April 1, 2021, attorneys from our Employment, Labor & Benefits Group discussed cutting-edge employment law issues facing employers in the evolving workplace, including:

- Recruiting and retaining talent in a virtual world,
- Remote work developments and legally compliant strategies for managing a remote or “hybrid remote” workforce,
- Safety and health issues, including legal considerations for vaccine initiatives and masking policies, and
- Reasonable accommodation considerations and strategies.
