Fredrikson senior associate Roxanne N. Thorelli has been awarded the 2022-2023 Outstanding New Lawyer of the Year Award by the Minnesota State Bar Association (MSBA). Each year, the MSBA's New Lawyers Section recognizes the outstanding achievements of one new lawyer. Thorelli was recognized for her involvement with local bar organizations, pro bono and community service work, contributions to advancing diversity, and professional achievements.

Thorelli represents clients with mergers and acquisitions, debt and equity financing, corporate restructuring, and general corporate matters. She represents private and public companies and private equity funds in many types of business transactions, completing key deal aspects such as drafting and negotiating contracts and purchase agreements, managing due diligence, conducting finance offerings, and preparing corporate governance documents. She works closely with clients to understand their businesses and to ensure the overall fit and strategy of a transaction.

The 2022-2023 Outstanding New Lawyer of the Year Award will be formally presented at the MSBA New Lawyers Leadership Conference in November.
