Fredrikson & Byron Attorneys Named 2021 Great Plains Super Lawyers and Rising Stars

Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high-degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process, including nominations, independent research and peer evaluations. The Great Plains Super Lawyers list is made up of lawyers in Iowa, Nebraska, North Dakota and South Dakota.

The Rising Stars designation honors leading attorneys who are either 40 years old or younger or in practice for 10 years or less. While up to 5 percent of the lawyers in a state are named to Super Lawyers, no more than 2.5 percent are named to Rising Stars.
