Fredrikson & Byron Represents Innovative Chemical Products Group in its Acquisition of Hi-Tech Coatings

Firm News

12.27.2019

Fredrikson & Byron, in association with Beiten Burkhardt, Walker Morris and Baker McKenzie, served as legal counsel to Audax Private Equity portfolio company Innovative Chemical Products Group, LLC (ICP Group) in its acquisition of Hi-Tech Coatings (HTC) from Heidelberger Druckmaschinen AG.

ICP Group is a leading specialty chemical manufacturer in North America and provides coatings, adhesives and sealants globally. HTC is a worldwide leading developer and manufacturer of high-performance coatings for the packaging and commercial printing industries.

Fredrikson's legal team was led by Sean Kearney and Erik Splett.
