

Polk County Bar Association President's Message

Firm News

12.15.2016

Iowa Polk County Bar Association President, Bridget Penick, provides some highlights regarding developments and activities of the bar association:

So much has happened in this world – this country – this state – this county – since my last president’s message in early October. I’ll refrain from political commentary on the presidential election, but focus on the positive and express gratitude at the results of the judicial retention election. Thank you to each of you who helped educate a friend or family member on the purpose of our judicial retention election process. Thanks to all who attended the ribbon cutting for the Polk County Justice Center. Congratulations to the National Bar Association for the groundbreaking on “A Monumental Journey.”
