Fredrikson & Byron's Mankato office represents private and public companies and closely-held businesses in a wide variety of industry sectors, including manufacturing, agribusiness, financial services, telecommunications, energy and real estate. The Mankato office offers advice through a broad range of business and individual services including business, transactional, mergers and acquisitions, bank and finance, probate, estate planning and business succession, and commercial real estate matters.

Our attorneys bring the "where law and business meet" to Mankato and beyond by focusing on vital business and industry connections and legal expertise that our clients and the greater business community need. The Mankato team regularly participates in a variety of organizations and associations including the Mankato Area Foundation, Greater Mankato Growth, Twin Rivers Council for the Arts, Educare Foundation, the Minnesota State University, Mankato Foundation, Inc., Blue Earth County Historical Society, and Mankato Civic Center Partnership.

Through our international offices and affiliations, our attorneys utilize their substantial experience to help clients reach their business objectives.
