Message from Chief Judge Ivy Bernhardson, Hennepin County District Court

Dear MSBA members who have cases in Hennepin County District Court:

We are working on detailed plans in conformity with the Chief Justice's order. On Monday March 16 we plan to widely disseminate them. Hearings set for Monday will be accommodated on a case by case basis if all participants appear and want to go forward except civil jury trials are all continued. Thank you.

Ivy Bernhardson
Chief Judge
Hennepin County District Court
